ACROSTIC.

The next President I'd introduce,
And a grand one he will be,
For to beat him it is no use,
'Tis plain "to a man up a tree."

To me it seems but fate,
A man to the manor born,
For they can't beat him, it's too late,
The hope is at best, forlorn.

Maysville's BEST Outfitters!

Our Easter week business, judging from last Saturday's trade, will be a HUMMER. We show such an immense variety of the newest designs and patterns in Young Men's, Boys' and Children's Suits, and at such reasonable prices, that whilst we are much gratified, we are not surprised at the run on them. You know that no suit leaves our store that is not perfect in the slightest detail. The least imperfection must be corrected before it goes to the customer. Equally as stylish as our clothes are also our Men's and Boys' Shoes. We take special pride in our Shoe Department. We sell the best made. Our Shirt, Neckwear and Hat Departments show the newest productions of the best manufacturers.

Rev. M. B. Adams Asked to Decline Call to Tennessee

Frankfort Journal.

At the business session of the congregation of the First Baptist Church last night, the subject of the call by the First Baptist Church of Jackson, Tenn., to the Rev. Dr. M. B. Adams, was taken up. After a full discussion of the matter and a review of the work Dr. Adams has accomplished during his pastorate and the work yet to be done here, it was the unanimous expression of those present, that it would be unwise and detrimental to the Frankfort Church and the denomination in the State, for Dr. Adams to leave Frankfort. Consequently by a solid vote of those present, the motion was carried that the congregation request Dr. Adams to decline the call to the First Church, Jackson, Tenn. It is the hope and belief of the Church body that the general and insistent sentiment for his continuance at Frankfort will induce him to remain.

REPUBLICAN TICKET.

FOR CONGRESS,
Hon. JOSEPH B. BENNETT.

FOR DELEGATE TO NATIONAL REPUBLICAN CONVENTION.

We are authorized to announce W. D. COCHRAN of Mason county as a candidate for Delegate to the National Republican Convention at Chicago in June, subject to the action of the Ninth District Republican Convention to be held at Carlisle, Ky., in May, 1908.

CALL FOR REPUBLICAN COUNTY CONVENTION.

Pursuant to the directions of the party authorities, the Republicans of Mason county are called to meet in mass convention at the Courthouse in Maysville on Saturday, April 25th, at 1 o'clock p. m., standard time, for the purpose of selecting, by viva voce vote, delegates to the District Convention, to be held at Carlisle, Nicholas county, on May 5th, at 11 o'clock a. m., and the State Convention to be held at Louisville on May 6th at 1 o'clock p. m.

The District Convention at Carlisle is for the purpose of electing two delegates and two alternate delegates to the National Convention to be held at Chicago, a Presidential Elector for the Ninth District and a member of the State Central Committee.

The State Convention at Louisville is for the purpose of electing four delegates and four alternate delegates-at-large from the State to said National Convention.

W. D. COCHRAN, Chairman County Committee.

A. M. January, Secretary.

THE newly enacted Alabama Prohibition Law may be declared invalid. It has been discovered that the measure was not properly signed by the Senate President.

REPRESENTATIVE LANGLEY has introduced a bill in Congress that is unique, and at the same time many persons will wonder why some member has not thought of it before. The bill carries a large appropriation for the establishment of a National Home for widows of soldiers of the Civil War, and LANGLEY proposes that the first institution of this kind shall be located at Paintsville, in the Tenth District. His idea is that the Home for Widows shall be operated on about the same plan as the Soldiers' Homes. Why not a Soldiers' Widows' Home as well as Homes for the veterans themselves? The women did not fight, but they suffered.

AN exchange says Secretary TAFT's character is not all smiles. No, he laughs a good deal.

THE Ohio Legislature threatens to crack down on the Merry Widow hat, on the ground that it is a menace to the public peace and dignity, owing to its immense size.

THE Aldrich Bill is about the worst failure ever. We doubt if it even suits NELSE himself. It is simply a Standard-Oil-J.-P.-Morgan measure any way, and the common people should swat it every time the old thing comes around.

LIFE insurance business has shown an enormous falling off during the past three years, owing to several causes, chief among which was turning the light on the immense profits and the corruption connected with the business of the larger companies. The slump in three years amounts to \$1,150,925,000.

ATTORNEY GENERAL BONAPARTE has evidently fallen under the blandishments of the swollenly rich and fascinating WINTHROP MURRAY CRANE, the paper magnate. BONAPARTE has notified Speaker CANNON that thus far the Department of Justice has been unable to make a case against the International Paper Company, otherwise known as the Paper Trust, showing violation of the Sherman Anti-Trust Law.

SATISFACTORILY EXPLAINED.

"I understand that you referred to me as a donkey, sir."
"Not at all. What I said is that you are emblematic of the Democratic party."

CUTICURA CURED MOTHER AND BABY

Southern Woman Suffered With Itching, Burning Rash—Drove Her Nearly Crazy—Her Baby Had Sore on Neck, and Two Other Babies Had Skin Troubles—Calls

CUTICURA A STAND-BY THAT NEVER FAILS HER

"I just can't say enough for the Cuticura Remedies. I can't find words high enough to express my thanks to God for hearing of the wonderful remedies. My baby had a running sore on his neck and nothing that I did for it took effect until I used Cuticura. My face was nearly full of better or some similar skin disease. It would itch and, after scratching, it burned so that I could hardly stand it. Two cakes of Cuticura Soap and a box of Cuticura Ointment cured me. Two years after it broke out on my hands and wrist. I cured it for a while, but it came again in the summer. Sometimes I would go nearly crazy for it itched so badly. I used ten dollars' worth of so-called blood medicines which did no good at all, then I went back to my old stand-by, Cuticura. It had never failed me. One set of Cuticura Soap, Cuticura Ointment, and Cuticura B. I went did the work. One set also cured my uncle's baby whose head was a cake of sores, and I know of another woman's baby who was in the same fix and nothing else did any good. I speak a word of praise for Cuticura whenever I see a case that needs it. Mrs. Lillie Wilcher, 770 Eleventh St., Chattanooga, Tenn., Feb. 16, 1907."

THIN PEOPLE

Of Maysville, Try This.

Weigh yourself. Take Vinol a while. Weigh yourself again. The gain in flesh, strength and appetite will be better arguments for Vinol than all we can say.

This is because Vinol contains in a concentrated form all the medicinal elements of cod liver oil taken from fresh cods' livers, but it is a better body builder and strength creator than cod liver oil or emulsions because the useless, indigestible and nauseating oil has been eliminated and peptonate of iron added. Vinol creates an appetite, strengthens every organ in the body, tones up the digestive organs, makes rich, red blood and firm, healthy flesh.

As a body builder and strength creator for old people, weak women, delicate children, and after sickness and for pulmonary troubles, Vinol is recommended by over 5,000 of the leading druggists of the United States.

So sure are we of what Vinol will do that we refund money to those who try Vinol and are not benefited.

Ferdinand Schumacher, the man who "invented" oatmeal, is dead at Akron, Ohio. He died penniless, but his idea grew and spread like wild oats, and today there are a score of handsome fortunes that have been made on the breakfast food idea which found birth in Schumacher's mind. He was a great prohibitionist.

TAFT for PRESIDENT

Appeal to Mason County Republicans to Stand For the Nation's Choice

KENTUCKY BUREAU, LEXINGTON, Ky., April 16th, 1908.

Editor Public Ledger: Senator Bradley, in his communications to the Republicans of the State, has assumed that Judge Taft, if nominated at Chicago, cannot be elected President, and concedes, in advance, that he cannot carry Kentucky. No other man in public life, no matter who his preference among the distinguished gentlemen mentioned in connection with this high office may be, has so expressed himself. They have been for their particular choice, but in no instance have they undertaken to detract from the demonstrated strength of Judge Taft before the people. In this particular, Senator Bradley and those who are in his immediate counsel stand alone. In doing so they stand alone, too, in the unenviable position of having already furnished for the use of the managers of the Democratic end of the fight material for their campaign against the man whose nomination is now assured. If there had been any doubt heretofore, the result last week in Massachusetts would remove it entirely. Senator Crane of that State has been the recognized head and front of the forces opposed to the nomination of Judge Taft, yet, there, he met with decisive defeat. Likewise, in New York county and city, in the fight for the control of the party organization, the known friends of Judge Taft were victorious. As the time for the Convention approaches, the opposition, as in the case of the opposition to McKinley, will collapse.

What position, then, will the Republicans of Kentucky take on the eve of the approaching campaign? Can they afford to add to the personal opinion of Senator Bradley, which is to be used by the Democrats in their campaign book as material favorable to them, the great weight of the indorsement of this opinion by the Republican party of the State of Kentucky?

Senator Bradley has presented this issue and asks an indorsement of his stand with reference thereto. He asks the party in Kentucky to say to the party in the whole country that Judge Taft is the weakest candidate we can nominate and that we cannot carry Kentucky with him as the nominee.

Do we not owe it to ourselves to disregard everything else and on April 25th go to the County Conventions and express in no uncertain tone our confidence in Judge Taft, and in his ability to sustain himself, (as he has always done in the past, no matter where his duty called him,) and us, and to lead us to victory honorable and complete? Yours very truly,

W. D. COCHRAN.

ARTHUR GOEBEL

Refused to Pay Reward for Arrest of Jim Howard—Governor Willson Continues Hearing

FRANKFORT, Ky., April 16th.—Gov. Willson resumed the hearing of the applications being made for the pardons for Caleb Powers and James B. Howard in the hall of the House of Representatives yesterday morning. Judge B. G. Williams, for the Commonwealth, resumed his address, protesting against the granting of Executive clemency to the two men. He discussed the testimony in the Howard case at length, endeavoring to show Howard's part in the assassination of Goebel.

Gov. Willson frequently questioned him on points which he wished to make clear in his mind.

As to the point that Howard surrendered and was not arrested, Williams said Ben White claimed the reward for Howard's arrest. The Governor asked if the reward was ever paid. Arthur Goebel spoke up and said: "I will tell your excellency. When Howard was brought to the Frankfort Jail White demanded of me the \$1,000 reward I had offered. I asked White if he arrested Howard or Howard had surrendered. White said, 'I will see about that,' and went into the Jail, where Howard was. When he returned he said to me, 'Howard surrendered.'

"I then refused to pay the reward."

Gov. Willson said:

"You did exactly right. I would not have paid it, either, if I had been in your place."

Judge Williams referred to the fact that the testimony showed that guns were plentiful in nearly all the offices in the Executive building. Gov. Willson interrupted and said: "I shall not put much stress on the fact that arms were in evidence at that time, because there were rumors of an attack to be made on the State House and I presume that many people in Frankfort had guns then that never had them before because of excitement and apprehension of trouble."

CONDITIONS IMPROVING

In Kentucky Says Former Maysville Man—Equity Money For Distribution

Yesterday's Enquirer.
Lyne Herndon, formerly City Auditor of Louisville, was at the Hotel Honing yesterday. Mr. Herndon says the politicians in Louisville are having a monkey-and-parrot time just now, and that a great deal of ill feeling has been stirred up.

Mr. Herndon has just returned from a trip through Kentucky, and says that conditions are vastly improved lately, as far as business is concerned.

"The Burley branch of the Society of Equity will begin tomorrow to distribute the money for which pooled tobacco was sold," said he. "This will amount to something over \$1,000,000 and will do more than anything else to relieve the situation. The tobacco was sold to independent concerns at a good price and the money will be prorated to the different counties according to the amount of tobacco from those counties sold. Franklin county alone will get something like \$100,000 and Fayette will receive about \$35,000. This money will come in handy for the growers just at this time, and will have to hold them for awhile, as there will be no Burley tobacco grown in Kentucky this year."

The Oddfellows of Lewis county will celebrate the anniversary of the Order at Toller's hotel on April 25th.

CASE AFTER CASE.

Plenty More Like This in Maysville.

Scores of Maysville people can tell you about Doan's Kidney Pills. Many a happy citizen makes a public statement of his experience. Here is a case of it. What better proof of merit can he had than such endorsement?

Mrs. Nathan A. Hafer, living in the Western part of Maysville, Ky., says:
"My estimation of Doan's Kidney Pills is so great that I have not the least hesitancy in publicly recommending them. For ten years I was bothered by backache, during which time I tried various remedies without obtaining any beneficial results. There was a constant dull ache across my back, often accompanied by sharp rheumatic twinges throughout my body. I was subject to nervous headache and dizzy spells, and on arising in the morning felt so tired that it seemed as if I had not been to sleep at all. Mr. Hafer, who had been cured of backache by Doan's Kidney Pills, advised me to give them a trial, and I procured a box at J. J. Wood & Son's Drugstore. They soon proved their efficiency in my case, and I did not have to take them long when all my trouble disappeared."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
